

## Treebus Pedigree

In 1905, Steve Treebus and Jane Sickleman married. In the same year John Bubba and Jen Goodred were married. The Treebus' ended up with three children: Amy, George, and Marcie. The Bubbas were also blessed with three kids: Alison, Shelly, and Susan (Shelly and Susan were identical twins).

In 1925, George Treebus married Dawn Mercy. Marcie Treebus was wed to Jeremy Boister. Alison Bubba married Tom Langston, while Susan Bubba found a husband in Tim Ticher. Shelly Bubba and Amy Treebus never married—they both became nuns.

As it turned out, George and Dawn Treebus had two children: Paula and Marc. Marcie and Jeremy Boister also had two children: Debbie and Jerry. Tom and Alison Langston ended up with two children: Kelly and Jesse (a boy). Susan and Tim Ticher also had two children: Steve and Ed, but Steve died in a bizarre gardening accident.

In 1950, Mark Varsky and Paula Treebus were married in a cute little garden ceremony. Marc Treebus found a beautiful bride in Debbie Boister. While Jerry Boister and Kelly Langston married, Ed Ticher fell in love and married Jen Minnow. Jesse Langston fell in love with a fine woman, but she broke his heart and never married him. He finally entered the priesthood.

Mark and Paula Varsky had one child: Natasha; while Jerry and Kelly Boister had only one child: Shawn. As fate would have it, Jen and Ed Ticher had one child: Tara. Marc and Debbie Treebus never had any children due to complications.

In 1975, Natasha Varsky met and married Shawn Boister in a short but passionate relationship. Tara Ticher fell in love with and eventually wed Billy Garden.

Natasha and Shawn Boister had two children: Matt and Jim. Billy and Tara Garden also had two children: Vanessa and Dale (a boy).

In 1990 Jim Boister married Vanessa Garden.
